FULL-TIME TENURE-TRACK FACULTY POSITIONS
College of Engineering, Architecture & Computer Sciences
Howard University
Washington, DC

Deadline: Open until filled
Type: Tenured-Track
Salary: Commensurate with experience
Employment Type: Full-Time
Department: Mechanical Engineering

Howard University’s College of Engineering, Architecture and Computer Sciences, Department of Mechanical Engineering seeks outstanding candidate(s) for tenure-track Assistant Professor position(s) beginning August 2016.

Hiring priority areas in applied mechanics include advanced materials and materials manufacturing processes, experimental mechanics and fatigue and fracture mechanics. Exceptionally qualified candidates in other areas of mechanical engineering will be considered. Candidates involved in research bridging disciplines are highly encouraged to apply.

Candidates must have a Ph.D. in Mechanical Engineering or related disciplines; they must have the ability to develop an independent research program, enthusiasm to work with other faculty in the department and dedication to teaching at all levels.

To Apply: Complete applications submitted by December 1, 2015 will receive full consideration, though applications received after this date will continue to be reviewed until the positions are filled. Applications must include a cover letter specifying the area of specialization, complete curriculum vitae, statement of research and teaching interests, and names and contact information of at least three references. Submit all documents electronically to howardceacs@howard.edu

About Howard: Founded in 1867, Howard University is a private, research university that is comprised of 13 schools and colleges. Students pursue studies in more than 120 areas leading to undergraduate, graduate and professional degrees. Since 1998, the University has produced two Rhodes Scholars, two Truman Scholars, a Marshall Scholar, 30 Fulbright Scholars and 11 Pickering Fellows. Howard also produces more on campus African-American Ph.D. recipients than any other university in the United States. For more information on Howard University, call 202-238-2330, or visit the University's Web site at www.howard.edu

EEO: The University does not discriminate on the basis of race, color, national and ethnic origin, sex, marital status, religion, or disability. Veteran status and people with disabilities are encouraged to apply. Inquiries regarding provisions for persons with disabilities, equal employment opportunity and Title IX should be directed to the Office of the Vice President for Human Resources at (202) 238-5960.
